2023 # 22

As we approach the end of another busy and very successful school year, we hope that your son's overall school experience has been a positive one. It was a year which saw many academic and sporting successes, but unfortunately, it also visited sad times on several families, students and staff members. As a school community we supported each other and will continue to do so, as always.

It was wonderful to see the high achievement and growth of so many of our students. Congratulations to all award recipients. Thank you to the many staff involved in organising, running and supervising the many events, performances and excursions throughout 2023. It is hard to believe that another year has passed so quickly, a year full of twists and turns. We are fortunate to have a hard-working, caring and dedicated team. Administrators, teachers, teaching assistants and support staff, who collaborate tirelessly and who always go above and beyond to ensure that every student gets the best experience possible. Alongside this, our students deserve recognition for their passion for learning.

As we celebrate our high school graduation, we watch in amazement at the inspiring, compassionate, resilient young graduates. Keep developing your passion and igniting your dreams. Set the world on fire!! We love you always and are so very proud of you!

We are excited to return to our normal school operations this year. We are aware that we will need to continue to address unfinished learning by using an acceleration model to fill in gaps in knowledge.

We wish for all of you a festive vacation with love and joy.

Deputy Head for Secondary

August Victoria Hospital Visit June 02, 2023

As part of the community action plans, a campaign was organized to help Augusta Victoria Hospital. After collecting contributions from students and their parents, some students visited the children's department, so that they could give joy to sick children, where they sang to them and gave those gifts. We thank all the contributors to the humanitarian work, and we ask God to heal all the sick children.
