PRINCIPAL'S MESSAGE

"As we approach the beginning of a new year 2024, I am filled with gratitude for the incredible community we have at our school. The start of a new year is a time for reflection, growth, and renewed determination. It is an opportunity to set new goals, embrace fresh opportunities, and continue our journey of learning and development, to work more on our project "where is your focus?"

The past year has presented us with various challenges, but it has also shown us the strength and resilience of our school community. Together, we have navigated through unprecedented times, adapted to new ways of learning and working, and supported each other with unwavering dedication. The calamity in Gaza has shown us the resilience of our school community.

As we look ahead to the coming year, let us carry forward the lessons we have learned and the bonds we have strengthened. Let us approach the future with optimism, courage, and a commitment to excellence in all that we do.

I encourage each one of you to embrace the new year with a sense of purpose and enthusiasm. Let us strive to make the most of every opportunity, support one another in our endeavors, and continue to uphold the values that define our school community.

May the new year bring forth moments of joy, success in our aspire, and an abundance of learning experiences. Together, let us make the coming year a time of growth, achievement, and unity.

Wishing you all a happy and prosperous New Year!

Brother Daoud Kassabry, FSC
Principal

Visit the "Saksak shelter" January 3, 2024

As part of the school's humanitarian activities that coincided with the Christmas holidays, the Lasallian family in Jerusalem visited the "Saksak shelter" in Al-Eizariya and presented them with food items that were collected through donations from the school's students. The visit was attended by a number of Signum Fidei, Lasallian mothers, youth and the Raja Choir, which performed musical performances that brought joy and happiness to the hearts of the shelter's residents. Mr. Nidal Allan presented number of activities and enjoyable performances. At the end of the visit, Brother Malak Fayez, the school's pastoral work officer, thanked everyone who contributed to the success of this charitable work, especially Mr. Khamis Dabit, the founder of this activity for more than 20 years, and the Raja band. He also thanked Mrs. Diana Mashhour, head of the Orthodox shelter, and all those who contributed to the success of this work from the administration of the Brothers School in Jerusalem and Beit Hanina.

MUN Preparation January 13, 2024

In preparation for the participation in several mini-UN conferences in which the students of College des Freres - High School in Jerusalem will participate, trainings are held every Saturday at the school under the leadership and supervision of Mr. Ibrahim Abu Dallo. These events contribute to raising the student's level of English language and enable them to write and formulate high-level arguments.

The Outstanding students Januray 13, 2024

In recognition and encouragement of academic excellence, Mr. Issa Deeb, Deputy Director of the Secondary Department, honored the top students who achieved outstanding results in the first semester certificate.

congratulations

From the beginning, the Lasallian Schools were places with a clear, direct, and prophetic mission. Their original characteristics remain their hallmark.

Leaning with creativity Januray 16, 2024

Education has methods, strategies and means, and at the College des Freres - Jerusalem , modern teaching methods depend on the creativity of teachers in the kindergarten department, they learn the letters by writing on the sand and help them to know the letter sensory knowledge, wher they wrote the letter R in a simple and in aninteresting way.

Awareness raising January 15, 2024

Completing the implementation of awareness-raising meetings on the correct use of social media, and raising awareness about legal accountability and human rights for the youth group, as eleventh grade students and ninth grade students were targeted. Education Activities January 23,2024

Educational activities for kindergarten students. Kindergarten students were introduced to the letter ذ where the educator Maya Rufa presented the letter Thal in a creative way, which gave the students joy. They drew on their faces the pleasure of learning through activities and movement.

Building the Personality of the Kids

Januray 23, 2024

The school seeks to strengthen the student's personality by providing guidance and support in all that is useful. It also believes in partnership with parents to support students for each other, and at the initiative of the mother of student Faris Shawish from the fourth grade, through the education class, targeted educational activities were passed on the topic of good listening and proper discipline, through which students learned about the importance of listening to perform better.

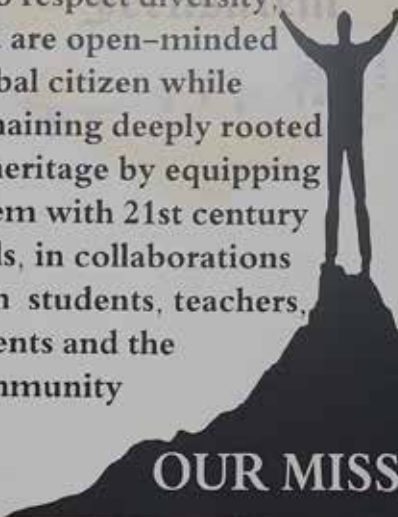

We value innovative creative thinkers who are balanced and active inquirers. Our students are principled, caring, open-minded communicators.
